

SECOND-HAND SCHOOL UNIFORM SHOP 2018-19

The School Shop is a voluntary service provided by FOHOS for parents. Its main purpose is to provide a service for parents to buy and sell second-hand uniform at affordable prices. To ensure overall price consistency the price of each item of clothing is set by the shop.

If you would like to sell items of uniform please leave your child's name tapes on the uniform and only send in freshly laundered and good condition clothing to the School Office. Please give your clothing to the School Office a week before the next opening of the School Shop. Items of clothing sent in that do not meet these standards will be returned.

Please ensure that all blazers have been dry-cleaned and that you leave the cleaning label/plastic cover in place. The blazer will be marked down in price if this has not been done. Any items of clothing, which are below standard or remain unsold for a year will be recycled.

The School Shop takes 20% of each item sold. You will receive a cheque for the balance at the end of each academic year or you may wish to donate the full value of the item to FOHOS. If you are leaving the School and change your address, please ensure that the School Office has an up-to-date record of your details so that any cheques can be posted to you. **Please note that any cheque not cashed within a year of the date of issue will no longer be valid and this money will be considered a donation to FOHOS.**

Items may not be taken from the School Office or School Shop until they have been paid for. Therefore please ensure that you have cash or a cheque when you are looking to purchase items.
